

Q1 Impact Summary April-June 2024

STRATEGIC AREA OF FOCUS: 1 Provider Networks

- **82 new, full-time equivalent clinical resources** for the Thompson Region were approved in our Primary Care Networks Service Plan.
- **Secured \$75,000 in Shared Care funding** to support an Addictions Medicine Expression of Interest, and an Eating Disorder Management project.
- **Led eight local and provincial knowledge exchange opportunities**, including sessions on Supportive Cancer Care, ICBC Billing, Eating Disorder Management, Long-term Care, and showcased two physician-led Shared Care Projects at the 2024 Joint Collaborative Committee Pre-Forum.

STRATEGIC AREA OF FOCUS: 2 Recruitment & Retention

- **Built member and community connections** at events including the Simpcw Health Fair; Walk With Your Doc; Resident Scholar Day; Resident Graduation; and Barriere and Logan Lake community health care events.
- **Promoted Thompson Region practice opportunities** at the Rural and Remote Medicine Conference.
- **Supported three clinics to attach approximately 100 patients** from the Health Connect Registry.
- **Launched a digital version** of the Connexion newsletter.

STRATEGIC AREA OF FOCUS: 3 Development

- **Hosted a Board Of Directors and staff dinner.**
- **Board of Directors and Division leadership** successfully completed the 2021-2026 Strategic Plan refresh.
- **Hired a new Project Manager** to lead the LTC Initiative, Addictions Medicine, and Adult Mental Health and Substance Use project work.
