

Q2 | Impact Summary

JULY-SEPT. 2024

1 | SUPPORT MEMBER PRIORITIES & PRIMARY CARE SYSTEM

- Supported 11 physician-led project meetings, including a high-risk maternity clinic visioning session to develop a proposal, as well as an Addictions Medicine project kick off meeting.
- Received the PCN approval and funding letter for 82 FTE of net new clinical resources for the Thompson Region.
- Approval for the new Long-term Care Initiative On Call Availability and Quality Improvement funding.
- Invited to participate in the inaugural Indigenous PCN Task Force in the community of Simpcw.
- Onboarded three new PCN-designated staff: Sarah Graham, PCN Manager; Ross Gibson, PCN Implementation Manager; and Sherry Westgarde Hepper, PCN Administrative Assistant.

2 | EXPANDING & SUSTAINING COMMUNITY OF PRIMARY CARE PROVIDERS

- Produced and circulated the 2023-2024 Annual Report.
- Welcomed four new Division members: Dr. Catherine Nowierski, Dr. Taiysa Rouault, Dr. Donovan Sneddon, and Dr. Sarah Koltun.
- Launched the Thompson Region Pathways Community Services Directory.
- Supported five retention events: Annual Medical Staff Welcome and Wellness Barbecue; MOA appreciation event; Candle Creek biking event; Red Beard social; and a Barriere site visit.
- Recruited members for the new Community and Recruitment Advisory Committee slated to begin meeting in November 2024.

3 | ENHANCE ORGANIZATIONAL CAPACITY

- Hosted the Division's Annual General Meeting, with a wellness speaker and welcomed a new Board Chair, Dr. Meghan MacDonald.
- Hired two new Division staff: Makenzi Irwin, Attachment Coordinator; and Marcy Matthew, Project Lead.
- Supported Adams Lake Indian Band and Barriere/Simpcw, to hire NPs and attach new patients.
- Completed and shared a successful financial audit.
- Struck a Board Governance Committee who is currently undertaking a full overhaul of Board policies.
